1. INTRODUCTION AND BACKGROUND INFORMATION SECTION

1.1 Introduction:

1.1.1 Purpose: This document constitutes a request for competitive, sealed proposals for the provision of consulting services for Show Me My Retirement Administrative Fund Request for Proposal (RFP) development and plan implementation and launch as set forth herein for the Missouri State Treasurer's Office (hereinafter referred to as "state agency").

- a. The consultant will not participate in the scoring or subjective evaluation of the responses but will provide subject matter expert(s) to assist the state agency staff in understanding the responses to the Show Me My Retirement Administrative Fund RFP development and Plan Implementation and Launch.

1.1.2 Minimum Experience Qualifications: There are minimum experience qualifications in the RFP (See Section 2.2, Minimum Experience Requirements in Section 2: Scope of Work).

1.1.3 Titles: Titles of paragraphs used herein are for the purpose of facilitating reference only and shall not be construed to infer a contractual construction of language.

1.2 Background and Historical Usage Information:

1.2.1 In 2023, the Missouri General Assembly passed, and Governor Parson signed into law, a bill requiring the creation of the Show Me My Retirement plan ("SMMR"), (RSMo. 285.1000 to 285.1055). SMMR is a state sponsored retirement plan in which small businesses in Missouri consisting of 50 or fewer employees may participate. Non-for-profit associations and self-employed individuals are also generally eligible to participate. However, employer matching contributions are voluntary.

- a. If an eligible employer chooses to participate in the SMMR, then that company's employees may enroll and begin building retirement savings through the plan.
- b. The SMMR is a Multi-Employer Plan (MEP). MEPs are a type of 401(k) plan, so employers can contribute to their employee's accounts too. With multiple employers participating in a single plan, MEPs can utilize economies of scale to secure lower fees and cost for participants since plan assets are pooled for investment purposes. Fees and other administrative cost are paid from plan assets. Each employee's benefits are held in an individual account.

1.2.2 Currently, there is a nation-wide retirement savings crisis. SMMR has the potential to help alleviate that problem here in Missouri. Many small businesses wish they could offer some type of retirement savings program for their employees, but doing so is often costly, administratively unfeasible, and comes with fiduciary responsibilities that are too risky to accept. Consequently, employees of small business can be left without available retirement savings options, creating to a barrier to retirement savings for such people.

1.2.3 The SMMR plan must be ready to offer to the public by September 1, 2025.

1.3 Current and/or Previous Contract Information:

1.3.1 No current or previous contracts exist for the products and/or services being obtained via this RFP.

1.4 RFP Questions:

- 1.4.1 Buyer is Single Point of Contact for Solicitation: Vendors and their agents (including subcontractors, employees, consultants, or anyone else acting on their behalf) must direct all of their questions or comments regarding the RFP, the evaluation, etc., to the buyer indicated on the first page of this RFP. It is preferred that questions be emailed to the buyer.
- a. Except as noted herein, vendors and their agents are instructed not to contact any other state employee regarding any of these matters during the solicitation and evaluation process. Inappropriate contacts are grounds for suspension and/or exclusion from specific procurements. Vendors can be sanctioned for unauthorized contact with any evaluator under 1 Code of State Regulation (CSR) 40-1.060(8)(G) and (H) available at <http://www.sos.mo.gov/adrules/csr/csr.asp>.
 - b. Minority Business Enterprise/Women Business Enterprise (MBE/WBE) and Service-Disabled Veteran Enterprise certification or subcontract questions should be directed to the Office of Equal Opportunity (OEO) at <http://oeo.mo.gov>.
- 1.4.2 Vendor is Responsible for Asking Questions About the RFP: It is the vendor's responsibility to ask questions, request changes or clarifications, or otherwise advise the Division of Purchasing if the vendor believes that any language, specifications, or requirements are: (1) ambiguous, (2) contradictory or arbitrary, (3) violate any state or federal law or regulation, (4) restrict or limit the requirements to a single source, or (5) restrict or limit the vendor's ability to submit a proposal.
- 1.4.3 Vendor Question Deadline: Every attempt shall be made to ensure that the vendor receives an adequate and prompt response. However, in order to maintain a fair and equitable procurement process, all vendors will be advised, via the issuance of an amendment to the RFP, of any relevant or pertinent information related to the procurement. All questions and issues should be submitted no later than ten (10) calendar days prior to the proposal end date and time of the proposals. If not received prior to ten (10) calendar days before the proposal end date and time, the Division of Purchasing may not be able to fully research and consider the respective questions or issues.
- 1.4.4 State's Response to Vendor Questions: Upon the Division of Purchasing's consideration of questions and issues, if the Division of Purchasing determines that changes are necessary, the resulting changes will be included in a subsequently issued RFP amendment(s); absence of such response indicates that the questions and issues were considered but deemed unnecessary for an RFP amendment. All vendors will be advised of any change to the RFP's language, specifications, or requirements by a formal amendment to the RFP. There will be no posted written records of the questions/communications (i.e., formal question/answer document).
- 1.4.5 RFP is State's Only Official Position: The only official position of the State of Missouri shall be that which is contained in the RFP and any amendments thereto.

- 4.1.3 The vendor's response, whether responding to a mandatory requirement or a desired attribute, will be binding upon the contractor in the event the vendor's response is accepted by the state and a contract is awarded.
- 4.1.4 The contractor further agrees that the language of the RFP shall govern in the event of a conflict with the contractor's proposal.
- 4.1.5 The contractor shall agree to furnish all awarded services specified in the contract, at the prices quoted therein.
- 4.1.6 A notice of award issued by the State of Missouri does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing services for the State of Missouri, the contractor must receive a properly authorized purchase order or other form of written authorization to proceed from the state, such as an order form, (in addition to the Division of Purchasing's "notice of award").

- 4.6.2 If the contractor fails to cure the breach or if circumstances demand immediate action, the Division of Purchasing will issue a notice of cancellation terminating the contract immediately. If it is determined the Division of Purchasing improperly cancelled the contract, such cancellation shall be deemed a termination for convenience in accordance with the contract.
- 4.6.3 If the Division of Purchasing cancels the contract for breach, the Division of Purchasing reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the Division of Purchasing deems appropriate and charge the contractor for any additional costs incurred thereby.

Information not relevant to the requirements herein and to explaining the vendor's proposed solution should be excluded from the vendor's response.

5.3 Compliance with Requirements, Terms and Conditions:

- 5.3.1 Non-compliant proposals shall be ineligible for award pursuant to 1 CSR 40-1.050(21) which, in part, states, "(21) Awards are to be made to the bidder/offeror whose bid/proposal complies with— (A) All mandatory specifications and requirements of the bid/proposal." Therefore, taking exception to mandatory provisions of the RFP shall place the vendor at risk for being non-responsive and ineligible for award.
- 5.3.2 Proposals which do not comply with the requirements and specifications are subject to rejection without clarification.
- 5.3.3 The vendor is cautioned when submitting pre-printed terms and conditions or other types of material to ensure such documents do not contain terms and conditions that conflict with those of the RFP and its contractual requirements.
- 5.3.4 If the vendor's response includes any exceptions to the mandatory provisions of the RFP, the vendor must (1) identify the specific RFP paragraph number to which the exception applies along with a description of why the vendor is taking exception to the provision; and (2) any proposed alternative language the vendor would like the state to consider to replace the provision. However, the vendor must understand and agree:
- a. Exceptions to mandatory provisions of the RFP place the vendor at risk for being non-responsive and ineligible for award. The state is not obligated to revise the RFP to make provision for the identified exception(s).
 - b. Section 1 of the RFP provides required instructions for addressing RFP questions and requesting changes or clarifications to the RFP prior to the proposal end date, revisions to the RFP after the proposal end date and time can only be made through the competitive negotiation process described herein. However, the state shall not be obligated to conduct competitive negotiations.
- 5.3.5 In the event that the vendor is an agency of state, local, or federal government or political subdivision which is prohibited by law or court decision from complying with certain provisions of an RFP, such a vendor may submit a proposal which contains a list of statutory limitations and identification of those prohibitive clauses. The vendor should include a complete list of statutory references and citations for each provision of the RFP, which is affected by this paragraph. The statutory limitations and prohibitive clauses may (1) be requested to be clarified in writing by the Division of Purchasing or (2) be accepted without further

clarification if the statutory limitations and prohibitive clauses are deemed acceptable by the Division of Purchasing. If the Division of Purchasing determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the RFP.

- 5.3.6 In the event all vendors fail to meet the same mandatory requirement in an RFP, the Division of Purchasing reserves the right, at its sole discretion, to waive that requirement for all vendors and to proceed with the evaluation. In addition, the Division of Purchasing reserves the right to waive any minor irregularity or technicality found in any individual proposal.

5.4 Confidentiality and Proprietary Materials:

- 5.4.1 Pursuant to section 610.021, RSMo, proposals and related documents shall not be available for public review until a contract has been awarded or all proposals are rejected.

- 5.4.2 Missouri Sunshine Law: The Division of Purchasing is a governmental body under the Missouri Sunshine Law (chapter 610, RSMo). Section 610.011, RSMo, requires that all provisions be "liberally construed and their exceptions strictly construed" to promote the public policy that records are open unless otherwise provided by law.

- 5.4.3 Proposal Confidentiality: Regardless of any claim by a vendor as to material being proprietary and not subject to copying or distribution, or how a vendor characterizes any information provided in its proposal, all material submitted by the vendor in conjunction with the RFP is subject to release after the award of a contract in relation to a request for public records under the Missouri Sunshine Law (see Chapter 610, RSMo). Only information expressly permitted to be closed pursuant to the strictly construed provisions of Missouri's Sunshine Law will be treated as a closed record by the Division of Purchasing and withheld from any public request submitted to the Division of Purchasing after award. The vendor should presume information provided to the Division of Purchasing in a proposal will be public following the award of the contract or after rejection of all proposals and made available upon request in accordance with the provisions of state law. The vendor's sole remedy for the state's denial of any confidentiality request shall be limited to withdrawal of their proposal in its entirety. Except for information the Division of Purchasing deems confidential, the vendor is advised not to include any information in the proposal that the vendor does not want to be viewed by the public, including personal identifying information such as social security numbers. Therefore, vendors should NOT include confidential material with their proposal.

- 5.4.4 Information Not Considered Confidential: In no event will the following be considered confidential or exempt from the Missouri Sunshine Law; however, this is not meant to be an all-inclusive list:

- a. Vendor's entire proposal;
- b. Vendor's pricing;
- c. Vendor's proposed method of performance, approach, work plan, and technical capabilities including schedule of events and/or deliverables;
- d. Vendor's experience information including customer lists or references; and
- e. Vendor's product specifications unless specifications disclose scientific and technological innovations in which the owner has a proprietary interest (see subsection 15 of section 610.021, RSMo).

5.5 Foreign Vendors:

- 5.5.1 Foreign vendors who do not have an Employer Identification Number assigned by the United States Internal Revenue Service (IRS) must complete the appropriate IRS W-8 form (found on the www.irs.gov website) and must attach this completed and signed form when registering on the MissouriBUYS (<https://missouribuys.mo.gov>) website.

- a. When submitting a proposal, the vendors who do not have an IRS Employer Identification Number should attach a note to the front page of their proposal advising the Division of Purchasing if: (1) a

completed and signed W-8 form is included with the proposal or (2) a completed and signed W-8 form is attached to their vendor registration profile on the MissouriBUYS website.

- b. Foreign vendors that have an IRS Employer Identification Number may register as a vendor on the MissouriBUYS (<https://missouribuys.mo.gov>) website by using the IRS Employer Identification Number assigned to their company and attaching a completed and signed IRS W-9 form to their vendor registration profile. (Note: Attaching a completed and signed IRS W-8 form is not necessary.)

5.6 On-line Submission of Solicitation Response:

5.6.1 In order for the vendor to submit their proposal, the vendor must be registered in MissouriBUYS, powered by MOVERS in a “Prospective” or “Spend Authorized” registration status. The vendor must achieve “Approved” registration status in MissouriBUYS (WebProcure/Proactis) and “Spend Authorized” registration status in MissouriBUYS, powered by MOVERS in order to be considered for a contract award. MissouriBUYS, powered by MOVERS is the State of Missouri’s web-based procurement system located at <https://www.missouribuys.mo.gov>. Detailed instructions pertaining to vendor registration can be found at: <https://missouribuys.mo.gov/media/pdf/vendor-registration-instructions>.

5.6.2 The registered vendor must submit their sealed proposal electronically through MissouriBUYS, powered by MOVERS. Hardcopy proposals are not accepted. All proposals must (1) be submitted by a duly authorized representative of the vendor’s organization, (2) contain all information required by the RFP, and (3) be priced as required. Unless the RFP specifies otherwise, no other means of proposal submission, modification, or retraction or withdrawal shall be allowed.

- a. Registered vendors must submit their proposal electronically through MissouriBUYS, powered by MOVERS by completing the applicable on-line pricing and by completing, attaching, and submitting all completed RFP Vendor Response Exhibits (including **Exhibit A, Proposal Signature Page** and all other exhibits) and all other contents of their proposal. The registered vendor is instructed to review the RFP submission provisions carefully to ensure they are providing all required pricing, including applicable renewal pricing. Instructions on how a registered vendor responds to a bid on-line are available on the MissouriBUYS, powered by MOVERS website at: <https://missouribuys.mo.gov/media/pdf/movers-bid-response-instructions> (see Bid Response Instructions for MissouriBUYS, powered by MOVERS). Electronic responses shall not be submitted via email.

- b. The exhibits, forms, and Pricing Page(s) provided herein should be saved into a word processing document, completed by a registered vendor, and then sent as an attachment to the electronic submission in MissouriBUYS, powered by MOVERS. Other information requested or required may be sent as an attachment in MissouriBUYS, powered by MOVERS. Be sure to include the solicitation number, company name, and a contact name on any electronic attachments. All of the vendor’s response attachments should be searchable. Each attachment submitted in MissouriBUYS, powered by MOVERS must not exceed a 100MB file size.

- 1) In the event the registered vendor attaches information with their proposal that is allowed by the Missouri Sunshine Law to be exempt from public disclosure, such specific material of their proposal must be attached as a separate document and clearly marked as confidential along with an explanation of what qualifies the specific material to be held as confidential pursuant to the provisions of section 610.021, RSMo. The vendor's failure to follow these instructions shall relieve the state of any obligation to preserve the confidentiality of the documents.

- c. Faxed and emailed proposals shall not be accepted. However, faxed and e-mail no-bid notifications shall be accepted.

5.6.3 The vendor is solely responsible for ensuring timely submission of their electronic solicitation response. Failure to allow adequate time prior to the proposal end date and time to complete and submit a

response to a solicitation, particularly in the event technical support assistance is required, places the vendor and their response at risk of not being accepted on time.

- 5.6.4 If a registered vendor submits multiple responses in MissouriBUYS, powered by MOVERS and if such responses are not identical, the vendor should explain which response is valid or if both responses are valid as alternative responses. In the absence of an explanation, the State of Missouri shall consider the response which serves its best interest to be valid.
- 5.6.5 To ensure software compatibility with the MissouriBUYS, powered by MOVERS, the vendor should submit the proposal attachments in Microsoft Word, Microsoft Excel, or Adobe PDF. The vendor should use the Microsoft Edge web browser when submitting their proposal response in MissouriBUYS, powered by MOVERS. A vendor's failure to follow these instructions and instead use a different application or method for completion and submission of attachments could render some or all of the vendor's response to be unreadable which could negatively impact the evaluation of the vendor's response.
- a. If vendor technical assistance is needed when submitting a proposal response, contact solicitations@oa.mo.gov.
- 5.6.6 Proposals may be modified on-line in MissouriBUYS, powered by MOVERS prior to the official end date and time. Other methods to request to modify a proposal prior to the official end date and time shall not be honored.
- 5.6.7 To retract a proposal on-line in MissouriBUYS, powered by MOVERS, please see the Revise and Retract Supplier Response Online Reference Guide found at: <https://missouribuys.mo.gov/media/pdf/revise-and-retract-supplier-response-movers>.
- 5.6.8 A proposal may also be withdrawn after the proposal opening through submission of a written request by an authorized representative of the vendor to the Division of Purchasing. Justification of withdrawal decision may include a significant error or exposure of proposal information that may cause irreparable harm to the vendor.
- 5.6.9 When submitting their electronic proposal, the registered vendor indicates acceptance of all RFP requirements, terms and conditions by clicking on the "Accept" button on the Overview tab in MissouriBUYS, powered by MOVERS. Failure to do so may result in rejection of the proposal unless the vendor's full compliance with those documents is indicated elsewhere within the vendor's response.
- 5.6.10 It shall be the sole responsibility of the vendor to monitor the MissouriBUYS, powered by MOVERS Bid Board, <https://missouribuys.mo.gov/bid-board>, to obtain a copy of the RFP amendment(s). Registered vendors who received e-mail notification of the proposal opportunity when the RFP was established and registered vendors who have responded to the RFP on-line prior to an amendment being issued should receive e-mail notification of the amendment(s). Registered vendors who received e-mail notification of the proposal opportunity when the RFP was established and registered vendors who have responded to the proposal on-line prior to a cancellation being issued should receive e-mail notification of a cancellation issued prior to the proposal end date and time specified in the RFP. If the RFP is cancelled after the proposal end date and time specified in the RFP, the buyer of record will send email notification to all vendors that responded to the RFP informing them of the cancellation of the RFP.

5.7 Proposal Opening:

- 5.7.1 Proposal openings will occur on the proposal end date and the opening time specified on the RFP document. Only the names of the respondents/vendors will be made available to the public after the proposal opening. All vendors may view the same proposal response information on the MissouriBUYS, powered by MOVERS System. The contents of the responses shall not be disclosed at this time.

5.7.2 Late Proposals: Proposals which are not received in the MissouriBUYS, powered by MOVERS System prior to the official proposal end date and time shall be considered late, regardless of the degree of lateness, and normally will not be opened. Late proposals may only be opened and considered under extraordinary circumstances in accordance with 1 CSR 40-1.050.

5.8 Award Determination:

5.8.1 The contract shall be awarded to the lowest and best proposal.

5.8.2 The award shall be made to the vendor whose proposal (1) complies with all mandatory specifications and requirements of the RFP and (2) is the lowest and best proposal, considering price, responsibility of the vendor, and all other evaluation criteria specified in the RFP and any subsequent negotiations, and (3) complies with chapter 34, RSMo, other applicable Missouri statutes, and all applicable Executive Orders.

5.8.3 Any award of a contract shall be made by notification from the Division of Purchasing to the successful vendor. The final determination of contract award(s) shall be made by the Division of Purchasing.

5.8.4 By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, mined, processed or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.

5.8.5 After a contract is executed or all proposals are rejected, all proposals are uploaded for public viewing into the Division of Purchasing's imaging system known as the Awarded Bid and Contract Document Search system (<https://purch.oa.mo.gov/bidding-contracts/awarded-bid-contract-document-search>).

a. The Division of Purchasing also posts proposal results on the MissouriBUYS Bid Board (<https://missouribuys.mo.gov/bid-board>) for all vendors to view.

b. Vendors that respond to an RFP will be notified of the award results via e-mail.

5.9 Evaluation Process:

5.9.1 In order to complete the award identified above, the state will follow the evaluation process identified herein to determine the lowest and best vendor(s).

5.9.2 Evaluation Committee and Subject Matter Expert(s): The vendor is advised that an evaluation committee and possibly subject-matter experts will be used to review and assess the proposals for responsiveness to mandatory requirements of the RFP in accordance with the evaluation criteria stated in the RFP. The ethical standards of 1 CSR 40-1.050(7)(O) will apply to evaluators.

5.9.3 Compliance Review: Each proposal submitted in response to the RFP will be reviewed for compliance with the mandatory requirements of the RFP. The vendor shall understand the state will not award a contract to a vendor with a non-responsive (non-compliant) proposal.

a. A proposal which contains non-responsiveness issues which could never be expected to be brought into compliance, even if given an opportunity for competitive negotiations, shall be considered unacceptable and eliminated from further consideration in the evaluation.

b. Proposals with non-responsiveness issues which could be corrected during competitive negotiations, if conducted, shall be considered potentially acceptable and remain in the evaluation process until a decision is made in regard to competitive negotiations. Proposals that remain non-responsive at the conclusion of the evaluation process, whether competitive negotiations were or were not conducted, shall be considered non-responsive and therefore ineligible for contract award.

- c. In the event only one proposal is received, the State of Missouri reserves the right to review the proposal to determine if the vendor is responsive, responsible, and reliable and is therefore eligible for award in lieu of conducting an assessment of the proposal in accordance with the evaluation criteria identified herein. Such determination shall be based upon information submitted in the proposal.
- d. The Division of Purchasing reserves the right to reject any and all proposals.
- e. The Division of Purchasing monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among vendors, price-fixing by vendors, or any other anticompetitive conduct by vendors which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.

5.9.4 Business Compliance Requirements: Due to lead times for obtaining the information needed to complete the Business Compliance Exhibits, vendors are encouraged to IMMEDIATELY begin securing these verifications when preparing a proposal. In order to be considered eligible for award of a contract, the vendor must be in compliance with the laws regarding conducting business in the State of Missouri and provide the applicable documentation prior to the award of a contract. Vendor's failure to complete the pre-work necessary for submission of completed business compliance exhibits identified below prior to submission of their proposal may result in a non-compliance determination of their proposal response. In order to verify the vendor's compliance, the state will review the vendor's response to the following Business Compliance Exhibits:

- a. Business Compliance Exhibit I, State of Missouri Tax Compliance - In accordance with section 34.040.7 RSMo, the vendor must be in tax compliance with the Missouri Department of Revenue. The Missouri Department of Revenue will issue a "Vendor No Tax Due" certificate if the vendor is properly registered to collect and have properly remitted sales and/or use tax, or if the vendor is not making retail sales in Missouri.
- b. Business Compliance Exhibit J, Registration of Business Name with the Missouri Secretary of State - In accordance with section 351.572, RSMo, the vendor must obtain a certification of authority be properly registered with the Missouri Secretary of State or identify how the vendor's business is exempt from registering with the Missouri Secretary of State.

Likewise, the successful vendor shall remain in compliance with such laws for the duration of the resulting contract.  - 4) Insurance (e.g., worker's compensation/unemployment compensation)
 - h. Each proposal submitted in response the RFP will be reviewed for business compliance with the laws regarding conducting business in the state of Missouri.
- 5.9.5 Competitive Negotiation of Proposals: The vendor is advised that under the provisions of the Request for Proposal, the Division of Purchasing reserves the right to conduct negotiations of the proposals received throughout the duration of the evaluation process or to award a contract without negotiations.
- a. Any competitive negotiations shall be conducted in accordance with 34.042 RSMo, 1 CSR 40-1.050(22), and any specific terms of this RFP.
 - b. The state shall have the right at its sole option to conduct competitive negotiations. The vendor shall understand the state does not guarantee competitive negotiations will be conducted. If negotiations are conducted, the Division of Purchasing may invite the vendor to provide a Best and Final Offer (BAFO) during the evaluation process. However, the State of Missouri does not negotiate contracts after contract award. (See Section 3.11 of the RFP)
 - c. Negotiations may be conducted in person, in writing, or by telephone.

As part of the negotiations, the vendor may be required to submit supporting financial, pricing and other data in order to allow a detailed evaluation of the feasibility, reasonableness, and acceptability of the proposal.
 - g. The requirements and specifications of the RFP after the proposal end date and time shall remain unchanged, unless the Division of Purchasing determines that a change in such requirements and specifications is in the best interest of the State of Missouri through an RFP revision as part of the competitive negotiation process.

- i. In conducting negotiations, there shall be no disclosure of any information submitted by competing vendors.

5.9.6 Clarifications and Corrections: Any clerical error, apparent on its face, may be corrected by the buyer before contract award. Upon discovering an apparent clerical error, the buyer will contact the vendor and request clarification of the intended proposal. The correction shall be incorporated in the notice of award, if applicable. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.

- a. Purchasing reserves the right to request clarification of any portion of the vendor’s response in order to verify the intent of the vendor. The vendor is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.

5.9.7 Evaluation Criteria: After determining that a proposal satisfies the mandatory requirements stated in the RFP, the evaluator(s) shall use both objective analysis and subjective judgment in conducting an assessment of the proposal in accordance with the evaluation criteria stated below. Each responsive proposal will receive a score for each element of the evaluation criteria, and the table below identifies the maximum point totals available for each evaluation element, the rating available for each evaluation element, and the available score for each rating.

Details for each of the evaluation categories, evaluation criteria, and evaluation elements outlined above are further defined in the following sections.		

5.9.8 Any information submitted with the proposal, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a proposal and the award of a contract. When evaluating a proposal, the State of Missouri reserves the right to consider relevant information and fact, whether gained from a proposal, from a vendor, from vendor’s case studies, or from any other source.

5.9.9 In the evaluation of proposals, preferences shall be applied in accordance with chapter 34, RSMo, other applicable Missouri statutes, and applicable Executive Orders. Vendors should apply the same preferences in selecting subcontractors.

5.10 Cost Proposal Evaluation:

5.10.1 Objective Evaluation of Cost - The cost evaluation shall be based on a sum of the following using the prices quoted on the Pricing Page, Exhibit C:

- a. Development of Scope for Plan Administrator and Subject Matter Expertise Deliverable;
- b. Implementation of Plan Administrator Deliverable;
- c. Program Launch Deliverable; and
- d. 20 hours of Subject Matter Expertise, and On-Going Maintenance/Project Management for the original contract period and each potential renewal period.
- e. Cost evaluation points shall be determined from the result of the calculation stated above using the following formula:

$$\frac{\text{Lowest Responsive Vendor's Price}}{\text{Compared Vendor's Price}} \times \text{Maximum Cost Evaluation Points (50)} = \text{Assigned Cost Points}$$

5.10.2 Cost Evaluation Quantities: The vendor shall understand and agree that the quantities used in the evaluation of cost are provided solely to document how cost will be evaluated. The State of Missouri makes no guarantee regarding the accuracy of the quantities stated nor does the State of Missouri intend to imply that the figures used for the cost evaluation in any way reflect either actual or anticipated usage.

5.10.3 Prompt Payment Discount: The vendor is encouraged to propose price discounts for prompt payment that would benefit the State of Missouri. However, since such discounts would be conditional upon the state agency being able to meet the payment deadline, such discount shall not be considered in the cost proposal evaluation.

5.10.4 Maximum Potential Financial Liability to the State of Missouri: Unless otherwise specified in the RFP, pricing shall be evaluated at the maximum potential financial liability to the State of Missouri.

5.11 Technical Proposal Evaluation:

5.11.1 Evaluation of Experience of Organization and Past Performance: The evaluation of the Experience of Organization and Past Performance shall be subjectively based on fact. 5.12 Question and Answer (Q&A) Conference or Interview:

5.12.1 After an initial evaluation phase, one or more question and answer conference(s) or interview(s) may be conducted with the vendor in person or via a virtual meeting, if deemed necessary by the Division of Purchasing.

5.12.2 If requested to be in person at the state's location, the cost of attending the conference shall be at the vendor's expense. All arrangements for the question and answer conference(s) or interview(s) facility and scheduling of the question and answer conference(s) or interview(s) shall be coordinated by the Division of Purchasing. The state will issue a hold the date statement to the vendors prior to the question and answer conference(s) or interview(s) date(s) to allow the vendor time to prepare and book travel arrangements.

5.13 Evaluation of Vendor's Minority Business Enterprise (MBE)/ Women Business Enterprise (WBE) Participation:

5.13.1 MBE/WBE Participation Prerequisites:

- a. In order for the Division of Purchasing (Purchasing) to meet the provisions of Section 37.020 RSMo and 1 CSR 40-1.050, the vendor should secure participation of certified MBEs and WBEs in providing the products/services required in this RFP. The targets of participation recommended by the State of Missouri are 10% MBE and 5% WBE of the total dollar value of the contract.
 - 1) These targets can be met by a qualified MBE/WBE vendor themselves and/or through the use of qualified subcontractors, suppliers, joint ventures, or other arrangements that afford meaningful opportunities for MBE/WBE participation.
 - 2) Definition -- Qualified MBE/WBE:
 - 2).1 In order to be considered a qualified MBE or WBE for purposes of this RFP, the MBE/WBE must be certified by the State of Missouri, Office of Administration, Office of Equal Opportunity (OEO) by the proposal opening date.
 - 2).2 MBE or WBE means a business that is a sole proprietorship, partnership, joint venture, or corporation in which at least fifty-one percent (51%) of the ownership interest is held by minorities or women and the management and daily business operations of which are controlled by one or more minorities or women who own it.
 - 2).3 Minority is defined as belonging to one of the following racial minority groups: Black, American Indian, Hispanic, Asian American and other similar racial minority groups as per Section 37.013, RSMo. Also included are Alaskan Natives, Pacific Islanders, and Aleuts.
 - 3) The services performed or the products provided by MBE/WBEs must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by MBE/WBEs is utilized, to any extent, in the vendor's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
 - 4) In order to be considered as meeting these targets, the MBE/WBEs must be "qualified" by the proposal opening date (date the proposal is due). (See definition of a qualified MBE/WBE identified herein.)

5.13.2 Evaluation of Vendor's MBE/WBE Participation:

- a. The vendor's proposed participation of MBE/WBE firms in meeting the targets of the RFP will be considered in the evaluation process as specified below:

- 1) If Participation Meets Target: Vendors proposing MBE and WBE participation percentages that meet the State of Missouri’s target participation percentage of 10% for MBE and 5% for WBE shall be assigned the maximum stated MBE/WBE Participation evaluation points.
- 2) If Participation Exceeds Target: Vendors proposing MBE and WBE participation percentages that exceed the State of Missouri’s target participation shall be assigned the same MBE/WBE Participation evaluation points as those meeting the State of Missouri’s target participation percentages stated above.
- 3) If Participation Below Target: Vendors proposing MBE and WBE participation percentages that are lower than the State of Missouri’s target participation percentages of 10% for MBE and 5% for WBE shall be assigned a proportionately lower number of the MBE/WBE Participation evaluation points than the maximum MBE/WBE Participation evaluation points.
- 4) If No Participation: Vendors failing to propose any commercially useful MBE/WBE participation shall be assigned a score of 0 in this evaluation category.

b. MBE/WBE Participation evaluation points shall be assigned using the following formula:

$$\begin{array}{rcccl}
 \text{Vendor's Proposed MBE \%} \leq 10\% + \text{WBE \%} \leq 5\% & & & & \\
 \text{State's Target MBE \% (10) + WBE \% (5)} & \times & \begin{array}{c} \text{Maximum} \\ \text{MBE/WBE} \\ \text{Participation} \\ \text{Evaluation} \\ \text{points (10)} \end{array} & = & \begin{array}{c} \text{Assigned} \\ \text{MBE/WBE} \\ \text{Participation} \\ \text{points} \end{array}
 \end{array}$$

c. If the vendor is proposing participation by MBE/WBEs, in order to receive evaluation consideration for participation by the MBE/WBEs, the vendor must provide the requested information with the proposal.

5.13.3 MBE/WBE Commitment – If the vendor’s response is awarded and the vendor received evaluation consideration for the MBE/WBE portion, the percentage level of MBE/WBE participation committed to by the vendor in the Participation Commitment Table shall be interpreted as a contractual requirement. The awarded vendor shall be expected to meet the participation commitment regardless of the products and/or services purchased by the state from the contract.

5.14 Evaluation of Bonus Point Preference: Organizations for the Blind and Sheltered Workshop (Blind/Sheltered Workshop) Preference:

5.14.1 Organization for the Blind and Sheltered Workshop Participation Prerequisites:

- a. In order for the Division of Purchasing (Purchasing) to meet the provisions of section 34.165, RSMo and 1 CSR 40-1.050, the vendor should secure participation of qualified nonprofit organizations for the blind or sheltered workshops in providing the products/services required in this RFP. Pursuant to section 34.165, RSMo, and 1 CSR 40-1.050, a five to fifteen (5-15) bonus point preference shall be granted to vendors including products and/or services manufactured, produced or assembled by a qualified nonprofit organization for the blind established pursuant to 41 U.S.C. sections 46 to 48c or a sheltered workshop holding a certificate of approval from the Department of Elementary and Secondary Education pursuant to section 178.920, RSMo.
- b. In order to qualify for the five to fifteen (5-15) bonus points, the following conditions must be met and the following evidence must be provided:
 - 1) The vendor must either be an organization for the blind or sheltered workshop or must be proposing to utilize an organization for the blind/sheltered workshop as a subcontractor and/or

supplier in an amount that must equal, at a minimum, the greater of \$5,000 or 2% of the total dollar value of the contract for purchases not exceeding \$10 million.

- 2) The services performed or the products provided by the listed participating organizations must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by the listed participating organizations are utilized, to any extent, in the vendor's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.

5.14.2 Evaluation of Vendor's Blind/Sheltered Workshop Participation Bonus Points:

- a. A sliding scale for the award of points shall range from a minimum of five (5) points to a maximum of fifteen (15) points. The award of the minimum five (5) points shall be based on the proposal containing a commitment that the participating nonprofit organization or workshop is providing the greater of two percent (2%) or five thousand dollars (\$5,000.00) of the total contract value of proposals for purchases not exceeding ten (10) million dollars (\$10,000,000.00).

- 1) Where the commitment in the proposal exceeds the minimum level set forth in section 34.165 RSMo to obtain five (5) points, the awarded points shall exceed the minimum five (5) points, up to a maximum of fifteen (15) points. As the statute sets out a minimum of five (5) points for a minimum two percent (2%) commitment, each percent of commitment is worth two and one-half (2.5) points. The formula to determine the awarded points for commitments above the two percent (2%) minimum shall be calculated based on the commitment in the proposal (which in the formula will be expressed as a number [Vendor's Commitment Number below], not as a percentage) times two and one-half (2.5) points:

$$\text{Vendor's Commitment Number} \times 2.5 \text{ points} = \text{Awarded Points}$$

Examples: A commitment of three percent (3%) would be calculated as: $3 \times 2.5 \text{ points} = 7.5$ awarded points. A commitment of five and one-half percent (5.5%) would be calculated as: $5.5 \times 2.5 \text{ points} = 13.75$ awarded points. If, instead of a percentage, a vendor's response lists a dollar figure that is over the minimum amount, the dollar figure shall be converted into the percentage of the vendor's total contract value for calculation of the awarded points. Commitments at or above six percent (6%) receive the maximum of fifteen (15) points.

- b. If the vendor is proposing participation by an organization for the blind or sheltered workshop, in order to receive evaluation consideration for participation by the organization for the blind or sheltered workshop, the vendor must provide the requested information with the proposal.

5.14.3 Blind or Sheltered Workshop Commitment: If the vendor's response is awarded and the vendor received evaluation consideration for the Blind or Sheltered Workshop portion, the organization for the blind or sheltered workshop participation committed to by the vendor in the Participation Commitment Table shall be interpreted as a contractual requirement. The awarded vendor shall be expected to meet the participation commitment regardless of the products and/or services purchased by the state from the contract.

5.15 Evaluation of Bonus Point Preference - Service-Disabled Veteran Business Enterprises (SDVEs) Preference:

5.15.1 Organization for the Service-Disabled Veteran Business Enterprises Preference Prerequisites:

- a. In order for the Division of Purchasing (Purchasing) to meet the provisions of section 34.074, RSMo, and 1 CSR 40-1.050, the vendor should secure participation of qualified service-disabled veteran business enterprises (SDVEs) in providing the products/services required in this RFP. Pursuant to

section 34.074, RSMo, and 1 CSR 40-1.050, a three (3)-point bonus preference shall be granted to vendors including products and/or services manufactured, produced or assembled by a qualified SDVE.

b. Definition - Qualified SDVE:

- 1) In order to be considered a qualified SDVE for purposes of this RFP, the SDVE must be certified by the State of Missouri, Office of Administration, Office of Equal Opportunity (OEO) by the proposal opening date.
- 2) SDVE is doing business as a Missouri firm, corporation, or individual or maintaining a Missouri office or place of business, not including an office of a registered agent;
- 3) SDVE has not less than fifty-one percent (51%) of the business owned by one (1) or more service-disabled veterans (SDVs) or, in the case of any publicly-owned business, not less than fifty-one percent (51%) of the stock of which is owned by one (1) or more SDVs;
- 4) SDVE has the management and daily business operations controlled by one (1) or more SDVs; and
- 5) SDVE possesses the power to make day-to-day as well as major decisions on matters of management, policy, and operation.

c. In order to qualify for any SDVE bonus points, the following conditions must be met:

- 1) The vendor must either be an SDVE or must be proposing to utilize an SDVE as a subcontractor and/or supplier that provides at least three percent (3%) of the total contract value.
- 2) The services performed or the products provided by the listed participating organizations must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by the listed participating organizations are utilized, to any extent, in the vendor's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
- 3) In order to be considered for the bonus point preference the SDVEs must be qualified by the proposal opening date (the date the proposal is due). (See above for the definition of an SDVE.)

5.15.2 Evaluation of Vendor's SDVE Participation Bonus Points: If the vendor proposing a SDVE participation percentage meets or exceeds the state's three percent (3%) of the total contract value commitment and provides the required documentation identified herein, then the vendor shall be assigned the three (3) bonus points.

- a. If the vendor is proposing participation by an SDVE, in order to receive evaluation consideration for participation by the SDVE, the vendor must provide the requested information with the proposal.

5.15.3 SDVE Commitment: If the vendor's response is awarded a contract, and the vendor received evaluation consideration for the SDVE participation, the SDVE participation committed to by the vendor on the Participation Commitment Table shall be interpreted as a contractual requirement. The awarded vendor shall be expected to meet the participation commitment regardless of the products and/or services purchased by the state from the contract.

STATE OF MISSOURI TAX COMPLIANCE**

STATE OF MISSOURI TAX COMPLIANCE

In accordance with section 34.040.7, RSMo, Purchasing is precluded from contracting with a vendor or its affiliate who makes sales at retail of tangible personal property or for the purpose of storage, use or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144, RSMo.

In order to verify the vendor’s State of Missouri tax compliance with the Missouri Department of Revenue (DOR), the vendor must provide “Vendor No Tax Due” certificate issued by DOR prior to award. By providing the “Vendor No Tax Due” certificate, the vendor is verifying the vendor is either registered to collect sales and/or use tax in Missouri or is not making retail sales of tangible personal property or providing taxable services in Missouri.

The DOR will issue the “Vendor No Tax Due” certificate if the vendor is properly registered to collect and have properly remitted sales and/or use tax, or if the vendor is not making retail sales in Missouri.

How To Obtain A Vendor No Tax Due Certificate

A “Vendor No Tax Due” certificate can be obtained from the Missouri Department of Revenue when a business pays all of its sales/use tax in full, up to date, does not have a sales tax delinquency or does not sell tangible personal property at retail in Missouri.

If taxes are due, depending on the payment history of the business, a cashier’s check or money order may be required for payment before a “Vendor No Tax Due” certificate can be issued.

A “Vendor No Tax Due” certificate can be obtained by completing and submitting the Request For Tax Clearance, Form 943, to the Missouri Department of Revenue, Division of Taxation & Collection. This form is available at <http://dor.mo.gov/forms/943.pdf>. Make sure to select the appropriate “Reason for Request” on page 2 of the form.

For assistance, call (573) 751-9268 or e-mail taxclearance@dor.mo.gov. Additional information regarding section 34.040.7, RSMo, is available on the Department of Revenue’s website at <http://dor.mo.gov/business/sales>.

NOTE: Make sure to request a “Vendor No Tax Due” certificate as there are other similar tax clearance forms that do not meet this verification requirement. The steps to obtain a “Vendor No Tax Due” certificate is outlined at <https://dor.mo.gov/taxation/business/tax-types/sales-use/hb600.html>.

**BUSINESS COMPLIANCE EXHIBIT L,
ANTI-DISCRIMINATION AGAINST ISRAEL ACT CERTIFICATION**

Statutory Requirement: Section 34.600, RSMo, precludes entering into a contract with a company to acquire products and/or services “unless the contract includes a written certification that the company is not currently engaged in and shall not, for the duration of the contract, engage in a boycott of goods or services from the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel.”

Exceptions: The statute provides two exceptions for this certification: 1) “contracts with a total potential value of less than one hundred thousand dollars” or 2) “contractors with fewer than ten employees.” Therefore the following certification is required prior to any contract award.

Section 34.600, RSMo, defines the following terms:

Boycott Israel and Boycott of the State of Israel: engaging in refusals to deal, terminating business activities, or other actions to discriminate against, inflict economic harm, or otherwise limit commercial relations specifically with the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel, that are all intended to support a boycott of the State of Israel. A company’s statement that it is participating in boycotts of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel, or that it has taken the boycott action at the request, in compliance with, or in furtherance of calls for a boycott of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel shall be considered to be conclusive evidence that a company is participating in a boycott of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel; provided, however that a company that has made no such statement may still be considered to be participating in a boycott of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel if other factors warrant such a conclusion.

Company: any for-profit or not-for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association, including all wholly-owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates of those entities or business associations.

Public Entity: the state of Missouri or any political subdivision thereof, including all boards, commissions, agencies, institutions, authorities, and bodies politic and corporate of the state created by or in accordance with state law or regulations.

Certification - The vendor must therefore certify their current status by completing either Box A, Box B, Box C, or Box D on the next page of this Exhibit.
